SHOEBURYNESSE HIGH SCHOOL

Rebuild Supervisor

Job Description

- Ensure the safeguarding of students in the Rebuild
- Supervise students who have been placed in the Rebuild ensuring a calm and purposeful atmosphere
- Liaise with the pastoral and wider senior leadership team regarding students to be placed in the Rebuild
- Liaise with subject teachers to supply paper based learning
- Provide support to students whilst in the Rebuild so they can complete work and so that they learn how to regulate their behaviours
- Ensure the Rebuild procedures are adhered to and that the room is well maintained, tidy and communicates the right ethos
- Communicate with stakeholders, including parents, about the conduct and progress of students in the Rebuild
- Contribute to the development of strategies that develop and progress the function and impact of the Rebuild
- Work effectively as a member of the wider school team responding to the needs of students based on the school's policies and agreed practices
- Mentor students before and after school to ensure smooth and supported transition back into lessons
