

Code of Conduct for Academy Committees

This Code should be read in conjunction with the articles of association and agreed scheme of delegation.

All Governors are expected to abide by this Code once appointed to an Academy Committee.

We recognise and support the principles set out in the [charity governance code](#)

We will abide by the Seven Nolan Principles of Public Life and demonstrate our commitment to ethical governance:

Selflessness

We will act solely in terms of the public interest.

Integrity

We will avoid placing ourselves under any obligation to people or organisations that might try inappropriately to influence us in our work.

We will not act or take decisions in order to gain financial or other material benefits for ourselves, our family, or our friends. We will declare and resolve any interests and relationships.

Objectivity

We will act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

Accountability

We are accountable to the public for our decisions and actions and will submit ourselves to the scrutiny necessary to ensure this.

Openness

We will act and take decisions in an open and transparent manner. Information will not be withheld from the public unless there are clear and lawful reasons for so doing.

Honesty

We will be truthful.

Leadership

We will exhibit these principles in our own behaviour. We will actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

We will apply the highest standards and will:

1. act within our powers
2. promote the success of the trust
3. exercise independent judgement
4. exercise reasonable care, skill and diligence
5. avoid conflicts of interest
6. not accept benefits from third parties
7. declare interest in proposed transactions or arrangements

We will focus on our core purpose:

1. strategic leadership: defining a vision, fostering a culture and ethos, and championing the strategy
2. accountability and assurance: providing robust and effective oversight of operations and performance
3. engagement: strategic oversight of relationships with stakeholders

As individuals, we agree to:

Fulfil our role & responsibilities

1. We accept that our role is strategic and so will focus on our core purpose rather than involve ourselves in day-to-day management.
2. We will fulfil our role and responsibilities as set out in our scheme of delegation.
3. We will develop, share and live the ethos and values of our trust.
4. We agree to adhere to trust policies and procedures.
5. We will fully cooperate with requests that are necessary to ensure organisational compliance, including disclosure and barring or right to work checks.
6. We will work collectively for the benefit of the trust.
7. We will be candid but constructive and respectful when holding senior leaders to account.
8. We will consider how our decisions may affect the trust and local community.
9. We will stand by the decisions that we make as a collective.
10. Where decisions and actions conflict with the Seven Principles of Public Life or may place pupils at risk, we will speak up and bring this to the attention of the relevant authorities.
11. We will only speak or act on behalf of the Academy Committee or Trust where we have the authority to do so.
12. When making or responding to complaints, we will follow the established procedures.
13. We will strive to uphold the trust's reputation in our private communications (including on social media).
14. We will not do anything, either in undertaking our governance role or outside of this, which brings the school/trust into disrepute.
15. We will have regard to our responsibilities under [The Equality Act](#) and will work to advance equality of opportunity for all.
16. We will act as local ambassadors for our trust.

Demonstrate our commitment to the role

1. We will involve ourselves actively in the work of the Academy Committee and accept our fair share of responsibilities, serving on working groups where required.
2. We will make every effort to attend all meetings and, where we cannot attend, explain in advance why we are unable to.
3. We will arrive at meetings prepared, having read all papers in advance, ready to make a positive contribution and observe protocol.
4. We will get to know the school/s well and welcome opportunities to be involved in school activities.
5. We will visit the school/s and when doing so will make arrangements with relevant staff in advance and observe school and board protocol.
6. When visiting a school in a personal capacity (for example, as a parent or carer), we will continue to honour the commitments made in this code.
7. We will participate in induction training, prioritise training in required areas (such as safeguarding) and commit to developing our individual and collective skills and knowledge on an ongoing basis.

Build and maintain relationships

1. We will develop effective working relationships with leaders, staff, parents and other relevant stakeholders from our local communities.
2. We will champion the voices of our school community and stakeholders.

3. We will express views openly, courteously and respectfully in all our communications with Governors and staff both inside and outside of meetings.
4. We will work to create an inclusive environment where each Governor's contributions are valued equally.
5. We will support the Chair in their role of leading the Academy Committee and ensuring appropriate conduct.

Respect confidentiality

1. We will observe complete confidentiality both inside and outside of the trust when matters are deemed confidential or where they concern individual staff, pupils or families.
2. We will not reveal the details of any Academy Committee vote.
3. We will ensure all confidential papers are held and disposed of appropriately.
4. We will maintain confidentiality even after we leave office.
5. We will practice good ICT security, keep personal data safe and support GDPR compliance.
6. We will use artificial intelligence (AI) tools responsibly and in accordance with the Trust's Use of AI Policy. We will not enter confidential, personal or sensitive Trust information into unapproved AI tools, and will exercise independent judgement when using AI-generated content, checking its accuracy and appropriateness before relying on or sharing it.

Declare conflicts of interest and be transparent

1. We will declare any business, personal or other interest that we have in connection with the Academy Committee's business, and these will be recorded in the register of business interests.
2. We will also declare any conflict of loyalty at the start of any meeting should the need arise.
3. If a conflicted matter arises in a meeting, we will offer to leave the meeting for the duration of the discussion and any subsequent vote.
4. We accept that the register of business interests will be published on the trust's website.
5. We will act as a Governor in the interests of the school and Trust as a whole, and not as a representative of any individual or group.
6. We accept that in the interests of open governance, our full names, date of appointment, terms of office, roles within the Trust's governance structure, attendance records, relevant business and pecuniary interests, category of Governor and the body responsible for appointing us will be published on the Trust website.
7. We accept that information relating to Governors will be collected and recorded on the DfE's national database (Get Information about Schools), where required, some of which will be publicly available.

We understand that potential or perceived breaches of this Code will be taken seriously and that a breach could lead to formal sanctions, including suspension or removal from the Academy Committee as a last resort.
