Southend East Community Academy Trust (SECAT) are seeking to appoint an ICT Technician.

Working as part of the SECAT ICT Team, this role covers ICT infrastructure, services and systems. You will provide first line support to all schools and central teams within the Trust. In addition to the responsibility for the general day to day running of classroom and office-based ICT infrastructure, the ICT Technician will also assist with the setup, configuration and maintenance of all network infrastructure. You will be based out of Shoeburyness High School but will be required to work across all school sites on a daily basis.

SECAT is a Multi Academy Trust, which consists of one large secondary school, three primary schools, and an infant and a junior school all within 1.6 miles of each other. We have a mixture of long-standing and newer Headteachers within our SECAT community who all work well together to deliver the outcomes we have come to expect and to work with our colleagues in the Local Authority and other schools in Southend.

Please visit our website [secat.co.uk](http://secat.co.uk) for the application form and recruitment monitoring form. Please complete and send to [HR@Secat.co.uk](mailto:HR@Secat.co.uk). If you have any questions please contact Jand'eca@secat.co.uk.

A copy of the SECAT Recruitment and Selection Policy and Privacy Notice for Job Applicants can be found in the policies section of the SECAT website ([www.secat.co.uk](http://www.secat.co.uk))

SECAT is committed to safeguarding and promoting the welfare of children and expects all staff and visitors to share this commitment. All appointments are subject to an enhanced DBS check, medical clearance, and satisfactory references.

We are an equal opportunities employer, we do not discriminate against any job applicant because of race, colour, religion, national origin, sex, physical or mental disability.
